Re: Fee Required for Notice of Intention to Commence Small Mining Operations, Red Emerald Mine, S/001/058, Beaver County, Utah

Dear Mr. Foster:

On December 31, 2001, we received your Notice of Intention to Commence Small Mining Operations (SMO), along with maps, for your Red Emerald Mine to be located in portions of Sections 29, 30, 20 and 19, T29S, R14W, Beaver County, Utah. No fees were received with the notice as identified under item number VI of the SMO form. We have assigned file number S/001/058 to this proposed project.

Before we can continue further review of your SMO notice, we require payment of the \$100.00 permit fee. We will suspend placing your SMO notice on our review schedule until we have received the permit fee. Please submit the fee within 10 days.

You indicated that you have advised the BLM of your proposed plan. **Please be advised that no mining related activity may take place until you have received written acceptance from this office as well as from the BLM.**

If you have any questions regarding this letter, please contact me at (801) 538-5291 or Tom Munson at 538-5321.

Sincerely,

Joelle Burns
